- 3.1.5 Playing a player who is not correctly registered with the Junior League will result in forfeiture of the relevant game where the unregistered players name appears on the match card. If clubs fail to provide birthdates for each registered player, the player or players will be deemed as not correctly registered.

- 3.1.10 In the event that the originating club refuses to sign a transfer the Registrar has the power to overrule the need for a signature from that club and may endorse the transfer.

3.1 Registration of Players

- 3.1.11 A Player Transfer Form must be submitted and processed by the Registrar prior to any player playing for their new club.
- 3.1.12 Clubs are strongly encouraged to use the Player Medical Information Form prior to each season to ensure that the player has parental/guardian permission to play.

- 3.1.14 If a junior player plays for a different club in the WJSA as per By-Law 3.1.13 that player may only play in the age group for which he/she is eligible to play in. That player will not be allowed to play in any higher or lower grades in the WJSA for that club.

Thus, for example, a player who will turn 12 years old between 1 January and 31 December (inclusive) in that year is an Under 12 player and, except as provided for under Regulations 3.2.8 to 3.2.11, cannot play in a younger age group. Only birth certificates or official Government documents shall be accepted as proof of verification of age for a junior player.
- 3.2.4 A player who knowingly plays in a game in which he/she is ineligible to play, by virtue of being a registered but overage player of the club in question, a registered member of another club, or suspended, shall be liable to suspension for a period to be determined by the JLMC. The club for which he/she plays in committing the offence shall be liable to loss of the relevant game by forfeit.
- 3.2.5 No new player may register for teams in competitions arranged by the WJSA after June 30 in any year without the permission of the WJSA, or the interim permission of the Chair, which shall be subject to confirmation by the WJSA at its next meeting.
- 3.2.6 In considering requests from clubs for player registration after 30 June, the WJSA and the Chair are to have regard to the case put forward and also whether the club making the request would be likely to gain an unfair advantage if it was to be approved.
- 3.2.7 No player shall play in games controlled by the WJSA more than two chronological years above his/her actual age group, unless written permission from parents or guardians has been lodged at least 24hrs prior to the match in question, this includes playing into senior matches also. Lodgement can be made through primarily the Registrar or failing this then through any member of the board and in the case the Registrar is an official representative of a club then this must be conducted through another member of the board who is not an official representative of the club in question. This lodgement must then be formalized at the next WJSA general meeting and documented.
- 3.2.8 No player shall play in any age group below his/her actual age group, except with the permission of the BOARD
- 3.2.9 A club wishing to play a player in an age group below his/her actual age group shall submit grounds for the request in writing and on club letterhead to the WJSA. The grounds will typically be medical or physical, but the WJSA may approve requests based on other grounds at its discretion.
- 3.2.10 All players in the WJSA have to play their own age group first
- 3.2.11 Female players may play one age group below their own age group.

3.2.10 In considering requests submitted under Regulation 3.2.9, the WJSA shall have regard to the following principles:

- (a) Whether the player has an ongoing disability or impairment that renders him/her uncompetitive in his/her actual age group.

That it is an objective of the Junior League that all who wish to play soccer are
given

- (b) every opportunity to do so

- (c) That no unfair advantage should accrue to a club through the granting of a request.

3.2.11 Approval of a request under Regulation 3.2.9 by the WJSA shall be for the current playing year only and shall be subject to renewal in any subsequent year. Failure to seek such approval may result in the imposition of a penalty as directed by the WJSA.

3.2.12 Junior players may play in a higher age group 1 division above their own

3.2.13 A player who is playing in a higher age group may revert back to playing in his/her own age group for league matches.

3.2.14 Where a club has more than one team in the same division of an age group, a player shall play in that division only with the team in which he/she is registered, unless permission is granted to move between the teams by the WJSA.

3.2.15 In the event of a team being found guilty of fielding a player who is not eligible to play in that team the opposing team shall be awarded the normal competition points. The game will be recorded as a 2-0 win in favour of the opposition club, unless the final result was of a greater margin in favour of the opposition club, and the offending club may be subject to a penalty as directed by the WJSA.

3.2.16 Any player playing in an Under 15 age group or younger in the WJSA that wishes to play in the WSA competition may only do so with parental permission by written application to the WSA.

3.2.17 A team with 11 or less registered player may seek approval from the WJSA to have a maximum of two WJSA registered players for that season be nominated to play down one age group level, any player who this rule will apply to must have a birthdate of the 1st October or later of the previous year to the cut off for that grade to be deemed eligible for the application. Each application will be scrutinized by the WJSA and will be voted on at a full general meeting prior to the player being granted approval to play. The intent of this rule is purely to assist any team who may struggle with numbers from time to time and not intended to strengthen that team in such a way an unfair advantage is gained. The approval of any player under this rule can be appealed at any time by any club delegate for review. (Max of 2 players)

5.6.4 Penalty Shoot Out

5.6.4.1 When a penalty Shoot Out is required to achieve a result, the following procedures are to be followed:

The referee tosses a coin to decide the goal at which the kicks will be taken. The choice of goal by the coin toss winner may only be changed by the referee for safety reasons or if the goal or playing surface becomes unusable.[1]

The referee tosses the coin a second time to determine which team will take the first kick.

All players other than the kicker and the goalkeepers must remain in the pitch's centre circle .

Each kick will be taken in the general manner of a penalty kick. Each kick will be taken from the penalty spot which is 12 yards (11 m) from the goal line and equidistant from each touch line, with the goal defended only by the opposing goalkeeper. The goalkeeper must remain between the goal posts on his goal line until the ball has been kicked, although he can jump in place, wave his arms, move side to side along the goal line or otherwise try to distract the shooter.

Each team is responsible for selecting from the eligible players the order in which they will take the kicks.

Each kicker can kick the ball only once. Once kicked, the kicker may not play the ball again. The decision on a rekick is solely at the referee's discretion.

No other player on either team, other than the designated kicker and goalkeeper, may touch the ball.[1]

A kick is successful if, having been touched once by the kicker, the ball crosses the goal line between the goal posts and under the crossbar, without touching any player, official, or outside agent other than the defending goalkeeper. The ball may touch the goalkeeper, goal posts, or crossbar any number of times before going into the goal as long as the referee believes the ball's motion is the result of the initial kick.

Teams take turns to kick from the penalty mark until each has taken five kicks. However, if one side has scored more successful kicks than the other could possibly reach with all of its remaining kicks, the shoot-out immediately ends, regardless of the number of kicks remaining.

If at the end of these five rounds of kicks the teams have scored an equal number of successful kicks, additional sudden death rounds of one kick each will be used until the tie is broken.

The team that scores the most successful kicks at the end of the shoot-out will be the winner of the match.

Only players who were on the pitch at the end of play or temporarily absent (injured, adjusting equipment etc.) will be allowed to participate in the shoot-out.

A team may replace a goalkeeper who becomes injured during the shoot-out with a substitute (provided the team has not already used the maximum number of substitutes allowed by the competition)

If a goalkeeper is sent off during the shoot-out, another player who finished the game must act as goalkeeper.[1]

5.6.4 Penalty Shoot Out (cont)

If a player, other than the goalkeeper, becomes injured or is sent off during the shoot-out, then the shoot-out will continue with no substitution allowed. The opposing team must reduce its numbers accordingly.[1]

Any player remaining on the pitch may act as the goalkeeper, and it is not required for the same player to have acted as a goalkeeper during the game.

No player will be allowed to take a second kick until all other eligible players on their team have taken a first kick, including the goalkeeper.

If it becomes necessary for players to take another kick (because the score has remained equal after all eligible players have taken their first kick), players are not required to kick in the same order.[1]

Kicks from the penalty mark must not be delayed for a player who leaves the field of play. The player's kick will be forfeited (not scored) if the player does not return in time to take a kick.

The referee must not abandon the match if, during the kicks, a team is reduced to fewer than seven players.[1]

Clubs that are repeat offenders will risk expulsion from the competition.

- 5.9.1 If Eighty Per Cent (**80%**) or more of normal time has been played in any fixture, then the score at the time of the abandonment by the match official will stand.
- 5.9.2 If less than Eighty Per Cent (**80%**) of normal time has been played in any fixture, before being abandoned by the match official, then the result will stand, unless one or both clubs request a replay by writing to the WJSA, within 72 hours of the fixture's conclusion:
- 5.9.3 If any club has its playing numbers reduced below the minimum FIFA requirement, then the match will be abandoned and awarded to the opposing club. 6.9.1 Rationale

- a) The Whyalla Junior Soccer Association. (WJSA) and its registered clubs and members have a responsibility to ensure the health and wellbeing of staff, volunteers, players, officials and spectators. In fulfilling this responsibility, all members have a duty to provide and maintain an environment that is safe and without risks to health.
- b) The WJSA Hot Weather Policy will assist volunteers, players, officials and spectators to undertake necessary action in cases of extreme hot weather. This is to prevent injury, and possible death, from heat illness by recognising and managing potentially dangerous heat situations.

6.9.2 Risks Associated with Hot Weather

- a) The WJSA recognises that the risk of an elevated body temperature from high intensity sport in a hot environment is significant, and can lead to heat illness presented as heat exhaustion and heat stroke. Symptoms can be worse if fluid replacement during exercise is inadequate which leads to fluid loss and dehydration.
- b) Sports Medicine Australia characterises heat exhaustion by a high heart rate, dizziness, headache, loss of endurance and skill, nausea, clammy and pale skin, and collapse.
- c) Heat stroke is similar to heat exhaustion but with a dry skin, confusion, collapse and possible coma. It may arise in a player who is suffering from heat exhaustion and has persisted in exercise. This is a potentially fatal condition and must be treated immediately.

6.9.3 Factors Affecting Participants in Hot Weather

- a) The WJSA recognizes that there are a number of factors that may affect participants during days of extreme heat, including humidity, duration/intensity, timing (between 11am and 3pm) hydration, fitness level, age and gender.
- b) Women, children and the elderly may suffer more in the heat during exercise. This may be due to a greater percentage of body fat in women, and poorly developed sweating mechanism in children.

6.9.4 Training/Competitions in Hot Weather

- a) Clubs shall check the temperature forecast 2 days prior to every competition, as published by the Australian Bureau of Meteorology (www.bom.gov.au or local newspapers). If the temperature is forecasted to be 33 degrees Celsius or greater the competition shall be rescheduled.
- b) The rescheduled competition or training session shall be played and completed by 11am or commencing after 5pm on the scheduled day if the weather is above 33 degrees Celsius, as approved by the WJSA Competition Administrator. If the competition cannot be rescheduled within these times the competition or training session shall be postponed.
- c) Clubs shall encourage players and officials to drink fluid prior to and during all competitions and training sessions to avoid dehydration, and for rehydration following competitions and training sessions.

6.9.4 Training/Competitions in Hot Weather (cont)

- d) In all competitions and training sessions, clubs and officials shall ensure that there is an adequate supply of water for drinking and refreshment and the appropriate drinks breaks are taken as necessary during these competitions or training sessions.
- e) In all competitions and training sessions, clubs shall ensure that water bottles are accessible to players. Water bottles shall not to be permitted to be thrown onto the field of play, players may be handed a water bottle from the side of the field.
- f) Club officials may approach match officials prior to the start of any competition to schedule a hydration break during the competition. If the two teams are in agreement, a short hydration break shall be implemented with timing at the sole discretion of the match official.
- g) Clubs shall provide a shaded area for players and officials during breaks at all competitions and training sessions.

6.9.5 First Aid Treatment

- a) As per the WJSA Competition Rules, any club registered with the WJSA must have adequate first aid facilities for players, officials and the general public during competitions and training sessions.
- b) Players and officials with any symptoms of heat illness shall immediately cease exercising. They shall have immediate first aid treatment including Strip/Soak/Fan (strip off any excess clothing and rest in a shaded area, soak or spray with water and rehydrate, and fan) to reduce body temperature as quickly as possible. The person shall immediately be referred for treatment by a medical professional.

8. AMALGAMATED TEAM REGISTRATION

8.1 General

This covers the rules governing the fielding of an amalgamated team in the Whyalla Junior Soccer Association.

8.2 Numbers required to allow amalgamation

- 8.2.1. If any club has 11 or more players in any age group they would be obliged to field their **OWN** team in that age group (current situation).
- 8.2.2 If a club has 4 or less players in any age group they would be obliged to **NOT** field a team and ask the players to seek membership with another club in that age group.
- 8.2.3 If the club had between 5 and 10 players signed up they could seek an amalgamation with another club in like circumstances to field an amalgamated team.

8.3 Mechanics of amalgamation

- 8.3.1 That team would be recorded on all fixture lists and match cards as team A/B (where A and B are the two clubs concerned).
- 8.3.2 The coach would be selected by agreement of the two clubs.
- 8.3.3 If two clubs wish to field an amalgamated club then that team will **NOT** be able to supplement its numbers from the age group below it. (*This is to avoid problems occurring if a coach predominantly picks players from his own parent club*).
- 8.3.4 If any or either of the individual teams who comprise the amalgamated team have individual teams in an older grade they can allow their players to play up a grade in the team with which they are registered. Where the team above it is also amalgamated **NO** players will be allowed to be promoted up a grade as per rule 8.3.3.
- 8.3.5 The fixtures shall be arranged (where possible) so each team in the amalgamation gets an equal amount of home games
- 8.3.6 The team colours may be set the same for the full season by agreement of the two clubs or may be rotated to suit the team in the amalgamation that is designated the home team for that round.
- 8.3.7 **IN ALL CASES** the association is not responsible for resolving any problems which may arise in getting agreement on the formation of a team. If an agreement cannot be met between the clubs then the amalgamation would not occur.

8.4 Example of amalgamated structure

Under 16's

Team A (*Lightning*)

16 players registered with *Lightning*

Team B (*Thunder*)

13 players registered with *Thunder*

Under 14's

Amalgamated team A/B (*Lightning/Thunder*)

7 players registered with *Lightning*

5 players registered with *Thunder*

Under 12's

Team A (*Lightning*)

12 players registered with *Lightning*

Team B (*Thunder*)

13 players registered with *Thunder*

All players must be registered with **ONLY ONE** team in one age group at the beginning of the season. Either *Lightning* or *Thunder* in this case. (Current situation)

Any of the 7 players registered with *Lightning* in the Amalgamated Under 14 team could play up for *Lightning* in the Under 16's and any of the 5 players registered with *Thunder* in the Amalgamated Under 14 team could play up for *Thunder* in the Under 16's.

The Amalgamated Under 14 team **CANNOT** supplement its numbers from the Under 12 teams.

If *Thunder* did not have an Under 16 team then the players registered with *Thunder* **CANNOT** be played up in *Lightning's* Under 16 team.

If *Lightning* and *Thunder* were also amalgamated in the Under 16's then they **CANNOT** draw players from the Under 14 amalgamated team.
